WHY A BUYERS' GUIDE?

IT IS CUSTOMARY TO INCLUDE A BUYERS'
GUIDE IN THE CITY DIRECTORY BECAUSE:

It gives business firms the opportunity to elaborate upon a description of their products and services impossible in the limited space of regular Alphabetical and Classified listings.

★ The Buyers' Guide is a necessary supplement to the regular listings; it is good City Directory information . . . EXTENDED ★

If You Are in a **BUSINESS FOG**
 In the
 Aftermath
 of War

Let the City Directory help guide you to reorientation. It is the natural key to things as they are after the great upheaval. A recent Directory will provide the basis by which business can obtain a new grip on markets and a new appraisal of prospects. Pre-war guides of nearly all kinds are dead as a dodo today. Business now enters a new era of great possibilities. The City Directory hews to the line without propaganda, and new editions of this service reveal the great physical changes that have come over cities and communities during the past five years.

BUSINESS MEN NEED SUCH INFORMATION IN SUCH TIMES!

CITY DIRECTORY USAGE SOARS TO NEW HIGH!

Post-war relocation of millions in their permanent homes; readjustment of business to normal conditions; the great new developments in civilian life just over the horizon of the future—these and other things make City Directory listing a “must” for all business people. JOIN THE MOOSE

*Your Membership is
An Investment*

3 REASONS WHY

—JUST IN CASE OF DISASTER—

1 A Home for Your Children

At Mooseheart, the famous "Child City," dependent children and widows of deceased members are provided the finest substitute for a happy home life which man and science have been able to devise. If misfortune should overtake you, your family would continue to enjoy a fine home with devoted care. Think of what this protection can mean to you.

2 Happiness in Your Old Age

Qualified dependent aged Moose members, and their wives may spend their old age together, at Moosehaven, located near the city of Jacksonville in sunny Florida. Here, many aged couples are regaining lost confidence as they live their twilight years unseparated in peace and contentment. Security is assured to the old folks of the Moose.

3 An Income in Case of Illness

When illness occurs and the family income stops because a Moose member is unable to continue his daily work, financial worries are lightened. He knows that he will be provided for—that when funds are needed most, the weekly Sick Benefit Checks from his local lodge will help see him through. Being a Moose will provide this protection for you and your family.

When selecting a hearing aid make your first and sole consideration the **QUALITY OF HEARING** it gives you. Make everything else secondary. Be sure the maker intimately understands the individual problems of deafness from long years of contact and observation. Be sure its representatives are thoroughly trained and will maintain a lasting interest in your satisfaction. Be sure the instrument itself is both designed and constructed to give years of efficient service.

This Publication Is The Product of a Member of

—thus assuring you the ultimate service that skill and care can produce in the way of City Directories or other reference media, and providing protection against fraudulent advertising schemes which operate under the name of Directories.

The following "Standards of Practice," adopted at the inception of the Association of North American Directory Publishers in 1898, and strictly adhered to over the years, is your guarantee of satisfactory Directory Service.

The publisher of a Directory should dedicate his best efforts to the cause of business uplift and social service, and to this end pledges himself:

1. To consider, first, the interest of the user of the book.

2. To subscribe to and work for truth, honesty and accuracy in all departments.

3. To avoid confusing duplication of listings, endeavoring to classify every concern under the one heading that best describes it, and to treat additional listings as advertising, to be charged for at regular rates.

4. To increase public knowledge of what Directories contain; to study public needs and make Directories to supply them; to revise and standardize methods and classifications, so that what is wanted may be most easily found, and the Directory be made to serve its fullest use

as a business and social reference book and director of buyer and seller.

5. To decline any advertisement which has a tendency to mislead or which does not conform to business integrity.

6. To solicit subscriptions and advertising solely upon the merits of the publications.

7. To avoid misrepresentation by statement or inference regarding circulation, placing the test of reference publicity upon its accessibility to seekers, rather than on the number of copies sold.

8. To co-operate with approved organization and individuals engaged in creative advertising work.

9. To avoid unfair competition.

10. To determine what is the highest and largest function of Directories in public service, and then to strive in every legitimate way to promote that function.

\$100 Reward will be paid by the Association of North American Directory Publishers for the arrest and conviction of any person or persons engaged in the publishing, collecting or canvassing for any fraudulent or fake directories.

LATEST EDITION OF THE CITY DIRECTORY?**

You need it at your elbow at all times, to protect your company from forgers and bad-check artists. A few questions, checked against City Directory information, will trip them at once. Intelligent use of the City Directory for this purpose has saved thousands of dollars and helped make some cities "too sharp" for bad-check "operators."

CITY DIRECTORY ADVERTISING is *National* ADVERTISING!

Each edition of your City Directory
is widely distributed to free-
reference City Directory Libraries
located at the Chambers of Commerce
of hundreds of other cities.

**Therefore your ad in the City Directory
is seen by buyers from coast-to-coast!**

- () The average market is nothing like it was at the outbreak of the war. ()
